BOARD OF HEALTH
Meets and Disposes of Various Matter Presented for Consideration.

The City Board of Health met in the Mayor's office Monday evening. The following members were present: Clesler, Fischer, Underwood, McCall, and Officers Mason, Clark and McClure. The minutes of the previous meeting were read and approved. Health Officer McClure reported that there were no cases of contagious diseases in the city and that there had been none for over a month.

Sanitary Policeman Clark reported that the Rice sewer is now in good condition. He also reported that it is difficult to find men to clear the vaults.

Mr. Frank Alexander was present and stated that the sewer at the corner of Second and Scammel streets was in a bad condition and gave out a terrible odor and had been in that condition for a long time. He attributed his recent illness with that of others to this sewer.

The Sanitary Policeman was instructed to make a minute examination of the sewer and its connections and report to the Board.

Charges of twenty-nine cents for a telegram was allowed.

Mr. Peter Slobom presented a bill of \$28 for two months rent for the house occupied by the Cox family while quarantined with smallpox. The Board was evidently not disposed to pay the bill and a motion to lay it on the table carried.

The Board then adjourned.

ONE WEEK MORE,

Making the 3rd week for H. F. Lorbach, Scientific Optician, at the Norwood Hotel, Rooms 15-17, Saturday, Mch. 9th the last day.

If you are compelled to read, sew or study at night, first get your eyes in proper shape by glasses if they are necessary. Second, get a good steady light. Third, use good large, plain print if possible.

It may be impossible for you to do this all at once, so get what you can, and as soon as you can.

First, call on H. F. Lorbach at the Norwood Hotel, and have your eyes examined to find out if glasses are necessary. This information is free, as well as the examination.

Second, go to your light companies, either the electric or gas, and get a good large burner.

Third, put in a good strong "kick" to your teacher and the faculty to use their influence in having the books printed in larger and plainer type and on better paper.

Mr. Lorbach has fitted over 100 people since he came to Marietta. Twenty-five cases of headache knocked out. Come up and see him and tell him your trouble. Office hours 9:00 to 11:30 a. m., 1:30 to 4:30 p. m. Use either phone for appointments.

Through friends in Cincinnati the other day, Jas. J. Jeffries succeeded in picking up a few thousand dollars on a Board of Trade speculation. Jeffries had attended a luncheon given by some of the business men of Cincinnati, sympathizers on account of the loss he sustained through his contest with Ruhlman being stopped. The investment was made through a solicitation at the luncheon. Jeffries reciprocated by giving a special performance of his play "A Man From the West" for the business men and their friends.
